REGISTRATION REQUIREMENTS - REGISTRANT IS REQUIRED TO READ AND INITIAL ALL REQUIREMENTS

N191

_____ My responsibility to register as a sex offender is a lifetime requirement.

_____ Upon coming into, or when changing my address within, any city, county, or city and county in which I am residing, I must register within five working days as a sex offender with the law enforcement agency having jurisdiction over my residence.

_____ Upon changing my place of residence, either in the present agency's jurisdiction, or anywhere inside or outside of the state, I must inform in writing within five working days, the law enforcement agency with which I last registered. If the move is to a new jurisdiction, I must re-register my new address in person.

_____ If I have been convicted of a felony sex offense and I have not previously given DNA samples, I am required to submit five milliliters of blood, a saliva sample, a right thumbprint, and a full palm print of each hand (290 PC).

_____ I must annually update my registration information, within five working days of my birthday, by going to the law enforcement agency having jurisdiction over my residence, or where I am currently registered as a transient, and update my registration information.

_____ If I have no residence address and am registering as a transient, in addition to the annual requirement to register, I must update my registration information at least once every 30 days with the law enforcement agency having jurisdiction over the place where I am physically present as a transient.

_____ If I have ever been committed as a sexually violent predator, I must update my registration information at least once every 90 days and annually within five working days of my birthday.

_____ If I am registering as a transient when I move out of state, I must inform, in writing within five working days, the agency having jurisdiction over the place where I was physically present as a transient before I left California.

_____ If I do not know my new residence address or location when I move, I must later notify the agency of the new address or location within five days of acquiring a new address or location. If the address or location is temporary, I must also notify the agency within five days of acquiring a permanent address or location.

_____ If I move outside of California, I am required to register in the new state in which I am located or resides, within ten days. I must also notify the last registering agency in California, within five working days, in writing, of my move.

_____ I must provide proof of residence within 30 days of registration or re-registration at a new residence address.

_____ If I am on parole or probation, I must provide proof of registration to my parole agent or probation officer within six working days of release on parole or probation and proof of any change or update to my registration within five working days.

_____ Within five working days of changing my address, I must notify the law enforcement agency having jurisdiction over my place of residence or place where I am currently registered as a transient.

_____ Upon release from incarceration, placement, or commitment, within five working days, I must register or re-register with the law enforcement agency having jurisdiction over the place of my last physically present as a transient, or my place(s) of residence.

_____ If I am enrolled, reside or employed (with or without compensation) at an institution of higher learning, I must register with the campus police or law enforcement agency having jurisdiction over that campus in addition to registering with the local law enforcement agency having jurisdiction over my place of residence. When I cease being enrolled or employed at that institution, I must notify the registering agency within five working days.

_____ If I attend school or am employed in California as a student, other student, student employee, with the exception of my place of residence in the state having jurisdiction over my school or employment location, in addition to registering in my state of residence.

_____ If I reside or am a transient on a University of California, California State University, or community college campus, I must register in the campus police department in addition, with the local law enforcement agency having jurisdiction over the campus.

_____ If I have more than one residence address at which I regularly reside (regardless of how many days or nights), I must register all addresses and/or locations with the law enforcement agency or agencies having jurisdiction over them.

_____ I may apply for exclusion from the Internet if I meet the exclusion criteria pursuant to 290.46 PC.
