CYA.....	3.3		1.4		0.9		0.7		0.5		0.4		-87.9	-20.0

Sources: California Department of Corrections, Offender Information Services, and the California Department of the Youth Authority.

Notes: Rates and percentages may not add to subtotals, total, or 100.0 because of rounding.

Dash indicates that a percent change is not calculated when the base number is less than 50.

¹ CRC counts are for commitments to the Civil Narcotics Addict Program. Although CRC is a CDC institution, the CRC counts are not included in the CDC counts.

² Counts are for commitments of adults from criminal courts.

³ Persons sentenced to CDC and transferred to the custody of CYA under Welfare and Institutions Code 1731.5(c).

⁴ 1996 legislation accounts for the decrease in this category from 1996 to 2001.

⁵ Adults returned from criminal court who had previous CYA commitments and/or who may have been under CYA jurisdiction at the time of the new commitment.

⁶ These rates are based on the adult population at risk (18-69 years of age) for each year (see Table 58).
