^a Expenditure data for fiscal years 1998/99 and 1999/00 were not available from the Controller of the State of California for the "Constable and marshals" and "Court reporters and transcribers" categories.

^b The 2000/01 data were not available from the Office of the State Controller in time for inclusion in this publication.

^c Because 2000/01 data are not available, percent changes have been calculated for the four year period, 1995/96 to 1999/2000, only.

¹ Constant-dollar expenditures are calculated according to the State and Local Government Implicit Price Deflator. Amounts may differ from those previously published because of revisions to the implicit price deflator.
