Sources: Law enforcement, district attorney, public defender, and probation personnel surveys (CJSC); *Annual Report of the Administrative Office of the California Courts* (California Judicial Council); and the State of California's *Governor's Budget*.

Notes: Dash indicates that data are not available or that percent changes are not calculated when the base number is less than 50.

Personnel in the Department of Justice and state regulatory agencies are not included.

¹ Law enforcement personnel counts are obtained from a one-day survey taken on October 31. Probation department counts are taken January 1 while all other personnel counts are taken on June 30. Department of Corrections and Youth Authority personnel are fiscal year counts obtained from the *Governor's Budget*.

² Prosecution, public defense, and probation department survey forms have been revised; beginning in 1996, counts reflect all full-time personnel, regardless of funding.

³ Includes court commissioners and referees.

⁴ The 37 existing justice courts became municipal courts on January 1, 1995, pursuant to passage of Proposition 191. Therefore, beginning with 1995, data are no longer available.
