Notes: A dash indicates one or more of the following: 1) data are not available; 2) percent change was not calculated because of incomplete data; 3) percent change was not calculated because a base number is less than 50.

This report includes data submitted to the Criminal Justice Statistics Center as of August 31, 2006.

Crime counts reflect the number of offenses reported (unfounded crime counts are not included).

Sheriff's department crime counts do not include contract cities that report under their own agency identification number.

The California Highway Patrol reports motor vehicle theft for some sheriff's departments; therefore, sheriff's department counts for this category may not reflect all reported motor vehicle thefts in their jurisdiction.

<sup>1</sup>In response to Government Code 11093, crime statistics for the San Fernando Valley area falling under the jurisdiction of the Los Angeles Police Department are available upon request.

<sup>2</sup>The Vallejo Police Department was unable to provide crime data for the full six-month reporting period in 2005 due to problems with their records management system. Therefore, to maintain comparability of the 2005 data with the 2006 data, available counts for this agency are shown, but not included in the subtotals or total jurisdictional counts.
