INITIATIVE MEASURE TO BE SUBMITTED DIRECTLY TO THE VOTERS

SECTION 1. Title. This measure shall be known as "The Public Employee Paycheck Protection Act."

SEC. 2. Findings and Declarations.

The people of the state of California find and declare that:

- (a) Public employees are generally required to join a labor organization or pay fees to the labor organization in lieu of membership.
- (b) Public employee labor organizations operate through dues or fees deducted from their members' salaries which are paid from public funds.
- (c) Routinely these dues or fees are used in part to support the political activities of the labor leaders in support of state and local legislative candidates and ballot measures. Public employees often find their dues or fees used to support political candidates or ballot measures they do not agree with.
- (d) It is fundamentally unfair to force public employees to give money to political activities or candidates they do not support.
- (e) Because public money is involved, the public has a right to ensure that public employees have a right to approve the use of their dues or fees to support the political objectives of their labor organization.
- (f) The State of California has a strong interest in avoiding the reality or appearance of government favoritism or entanglement with partisan politics.
- (g) The State of California also has a strong interest in affording its employees the opportunity to choose which political activities or candidates to support.
- (h) To ensure that public employees have a say whether their dues or fees may be used for political campaign purposes, it is fair and just to require that their consent be obtained in advance.

SEC. 3. Purpose and Intent. In enacting this measure, it is the intent of the people of the State of California to guarantee the right of public employees to have a say whether their dues and fees may be used for political campaign purposes.

SEC 4. Chapter 5, Article 8 (commencing with §85900) is added to Title 9 of the Government Code to read:

85900. (a) No public employee labor organization may use or obtain any portion of dues, agency shop fees, or any other fees paid by members of the labor organization, or individuals who are not members, through payroll deductions or directly, for disbursement to a committee as defined in section 82013 except upon the written consent of the member or individual who is not a member received within the previous 12 months on a form described by subdivision (c) signed by the member or non-member and an officer of the union.

(b) Subdivision (a) does not apply to any dues or fees collected from members of the labor organization, or individuals who are not members, for the benefit of charitable organizations organized under Title 26 United States Code section 501(c)(3), or for health care insurance, or similar purposes intended to benefit directly the specific member of the labor organization or individual who is not a member or their immediate families.

(c) The authorization referred to in subdivision (a) shall be made on the following form, the sole purpose of which is the documentation of such authorization. The form's title shall read, in at least 24-point bold type, "Consent for Political Use of Dues/Fees or Request to Make Political Contributions" and shall state, in at least 14-point bold type, the following specific text.

"Signing this form authorizes your union to use the amount of \$ __.00 from each of your dues or agency shop fee payments during the next twelve months as a political contribution or expenditure."

Signing this form requests your union to make a deduction of \$ __.00 from each of your dues or agency shop fee payments during the next twelve months as a political contribution to the [name of committee].

SEC. 7. If any provision of this act, or part thereof, is for any reason held to be invalid or unconstitutional, the remaining provisions shall not be affected, but shall remain in full force and effect, and to this end the provisions are severable.

SEC. 8. If this measure is approved by the voters but is superseded by another measure on the same ballot receiving a higher number of votes and deemed in conflict with this measure, and the conflicting measure is subsequently held invalid, it is the intent of the voters that this measure become effective.

SEC. 9. This measure may be amended to further its purposes by a bill passed by a two-thirds vote of the membership of both houses of the Legislature and signed by the Governor, provided that at least 14 days prior to passage in each house, copies of the bill in final form shall be made available by the clerk of each house to the public and the news media.
