

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

REFERENDUM TO OVERTURN LAW REQUIRING INTERNET RETAILERS TO COLLECT SAME SALES OR USE TAXES AS OTHER RETAILERS. If signed by the required number of registered voters and filed with the Secretary of State, this petition will place on the statewide ballot a challenge to an existing state law. The law must be approved by voters at the next statewide election to remain in effect. The law expands the definition of retailers considered “engaged in business” in California to include certain Internet retailers selling to California consumers, so that out-of-state Internet retailers also collect existing sales or use taxes.
