

March 6 Meeting Directions (meeting starts at 10:30 am)

Direction form Burbank Airport:

BURBANK (approx. 45 minutes to 1 hour):

Take the 5 Freeway south to the 10 (San Bernardino) Freeway east. (Take the exit to the 10 Freeway towards San Bernardino that is on your left. Merge onto the 10 Freeway going east). Watch for signs announcing the 710 freeway. You will not be taking the 710, BUT, when you see the signs you must make your way to the extreme right lane to exit at Eastern Ave. The Eastern Ave. exit is about 500 yards before the 710.

After exiting at Eastern Ave., make a left turn at the stoplight. Take the bridge across the freeway, and continue straight onto the campus, crossing State University Drive. Go past the stop sign at Campus Road (about 300 yards from University Drive), and you are on Paseo Rancho Castilla (PRC), the western edge of campus. Take the first right into Lot 1, the first parking lot you come to. The lab is the 5 story building at the end of the parking lot

If visitor parking spots are available, park there. If not, park anywhere. In either case, go inside and ask the receptionist for a temporary parking permit.

The following web site is a map of campus the lab is Building 43.
