(B) no Participating Manufacturer may refer to a Brand Name Sponsorship event or to a celebrity or other person in such an event in its advertising of a Tobacco Product;

(C) nothing contained in the provisions of subsection III(e) of this Agreement shall apply to actions taken by any Participating Manufacturer in connection with a Brand Name Sponsorship permitted pursuant to the provisions of subsections (2)(A) and (2)(B)(i); the Brand Name Sponsorship permitted by subsection (2)(B)(ii) shall be subject to the restrictions of subsection III(e) except that such restrictions shall not prohibit use of the Brand Name to identify the Brand Name Sponsorship;

(D) nothing contained in the provisions of subsections III(f) and III(g) shall apply to apparel or other merchandise: (i) marketed, distributed, offered, sold, or licensed at the site of a Brand Name
Sponsorship permitted pursuant to subsections (2)(A) or (2)(B)(i) by the person to which the relevant Participating Manufacturer has provided payment in exchange for the use of the relevant Brand Name in the Brand Name Sponsorship or a third-party that does not receive payment from the relevant Participating Manufacturer (or any Affiliate of such Participating Manufacturer), in connection with the marketing, distribution, offer, sale or license of such apparel or other merchandise; or (ii) used at the site of a Brand Name Sponsorship permitted pursuant to subsection (2)(A) or (2)(B)(i) (during such event) that are not distributed (by sale or otherwise) to any member of the general public; and

(E) nothing contained in the provisions of subsection III(d) shall:
(i) apply to the use of a Brand Name on a vehicle used in a Brand Name Sponsorship; or (ii) apply to Outdoor Advertising advertising the Brand Name Sponsorship, to the extent that such Outdoor Advertising is placed at the site of a Brand Name Sponsorship no more than 90 days before the start of the initial sponsored event, is removed within 10 days after the end of the last sponsored event, and is not prohibited by subsection (3)(A) above.

(4) Corporate Name Sponsorships. Nothing in this subsection (c) shall prevent a Participating Manufacturer from sponsoring or causing to be sponsored any athletic, musical, artistic, or other social or cultural event, or any entrant, participant or team in such event (or series of events) in the name of the corporation which manufactures Tobacco Products, provided that the corporate name does not include any Brand Name of domestic Tobacco Products.

(5) Naming Rights Prohibition. No Participating Manufacturer may enter into any agreement for the naming rights of any stadium or arena located within a Settling State using a Brand Name, and shall not otherwise cause a stadium or arena located within a Settling State to be named with a Brand Name.

(6) Prohibition on Sponsoring Teams and Leagues. No Participating Manufacturer may enter into any agreement pursuant to which payment is made (or other consideration is provided) by such Participating Manufacturer to any football, basketball, baseball, soccer or hockey league (or any team involved in any such league) in exchange for use of a Brand Name.

(d) Elimination of Outdoor Advertising and Transit Advertisements. Each Participating Manufacturer shall discontinue Outdoor Advertising and Transit Advertisements advertising Tobacco Products within the Settling States as set forth herein.

(1) Removal. Except as otherwise provided in this section, each Participating Manufacturer shall remove from within the Settling States within 150 days after the MSA Execution Date all of its (A) billboards (to the extent that such billboards constitute Outdoor Advertising) advertising Tobacco Products; (B) signs and placards (to the extent that such signs and placards constitute Outdoor Advertising) advertising Tobacco Products; and (C) outdoor transit advertisements advertising Tobacco Products.
Advertising) advertising Tobacco Products in arenas, stadiums, shopping malls and Video Game Arcades; and (C) Transit Advertisements advertising Tobacco Products.

(2) **Prohibition on New Outdoor Advertising and Transit Advertisements.** No Participating Manufacturer may, after the MSA Execution Date, place or cause to be placed any new Outdoor Advertising advertising Tobacco Products or new Transit Advertisements advertising Tobacco Products within any Settling State.

(3) **Alternative Advertising.** With respect to those billboards required to be removed under subsection (1) that are leased (as opposed to owned) by any Participating Manufacturer, the Participating Manufacturer will allow the Attorney General of the Settling State within which such billboards are located to substitute, at the Settling State’s option, alternative advertising intended to discourage the use of Tobacco Products by Youth and their exposure to second-hand smoke for the remaining term of the applicable contract (without regard to any renewal or option term that may be exercised by such Participating Manufacturer). The Participating Manufacturer will bear the cost of the lease through the end of such remaining term. Any other costs associated with such alternative advertising will be borne by the Settling State.

(4) **Ban on Agreements Inhibiting Anti-Tobacco Advertising.** Each Participating Manufacturer agrees that it will not enter into any agreement that prohibits a third party from selling, purchasing, or displaying advertising discouraging the use of Tobacco Products or exposure to second-hand smoke. In the event and to the extent that any Participating Manufacturer has entered into an agreement containing any such prohibition, such Participating Manufacturer agrees to waive such prohibition in such agreement.

(5) **Designation of Contact Person.** Each Participating Manufacturer that has Outdoor Advertising or Transit Advertisements advertising Tobacco Products within a Settling State shall, within 10 days after the MSA Execution Date, provide the Attorney General of such Settling State with the name of a contact person to whom the Settling State may direct inquiries during the time such Outdoor Advertising and Transit Advertisements are being eliminated, and from whom the Settling State may obtain periodic reports as to the progress of their elimination.

(6) **Adult-Only Facilities.** To the extent that any advertisement advertising Tobacco Products located within an Adult-Only Facility constitutes Outdoor Advertising or a Transit Advertisement, this subsection (d) shall not apply to such advertisement, provided such advertisement is not visible to persons outside such Adult-Only Facility.

(e) **Prohibition on Payments Related to Tobacco Products and Media.** No Participating Manufacturer may, beginning 30 days after the MSA Execution Date, make, or cause
to be made, any payment or other consideration to any other person or entity to use, display, make reference to, or use as a prop any Tobacco Product, Tobacco Product package, advertisement for a Tobacco Product, or any other item bearing a Brand Name in any motion picture, television show, theatrical production, or other live performance, live or recorded performance of music, commercial film or video, or video game ("Media"); provided, however, that the foregoing prohibition shall not apply to (1) Media where the audience or viewers are within an Adult-Only Facility (provided such Media are not visible to persons outside such Adult-Only facility); or (2) Media not intended for distribution or display to the public.

(f) Ban on Tobacco Brand Name Merchandise. Beginning July 1, 1999, no Participating Manufacturer may, within any Settling State, market, distribute, offer, sell, license, or cause to be marketed, distributed, offered, sold, or licensed (including, without limitation, by catalogue or direct mail), any apparel or other merchandise (other than Tobacco Products, items the sole function of which is to advertise Tobacco Products, or written or electronic publications) which bears a Brand Name. Provided, however, that nothing in this subsection shall (1) require any Participating Manufacturer to breach or terminate any licensing agreement or other contract in existence as of June 20, 1997 (this exception shall not apply beyond the current term of any existing contract, without regard to any renewal or option term that may be exercised by such Participating Manufacturer); (2) prohibit the distribution to any Participating Manufacturer's employee who is not Underage of any item described above that is intended for the personal use of such an employee; (3) require any Participating Manufacturer to retrieve, collect or otherwise recover any item that prior to the MSA Execution Date was marketed, distributed, offered, sold, licensed, or caused to be marketed, distributed, offered, sold, or licensed by such Participating Manufacturer; (4) apply to coupons or other items used by Adults solely in connection with the purchase of Tobacco Products; or (5) apply to apparel or other merchandise used within an Adult-Only Facility that is not distributed (by sale or otherwise) to any member of the general public.

(g) Ban on Youth Access to Free Samples. Beginning seven days after the MSA Execution Date, no Participating Manufacturer may, within any Settling State, distribute or cause to be distributed any free samples of Tobacco Products except in an Adult-Only Facility. For purposes of this Agreement, a "free sample" does not include a Tobacco Product that is provided to an Adult in connection with (1) the purchase, exchange, or redemption for proof of purchase of any Tobacco Products (including, but not limited to, a free offer in connection with the purchase of Tobacco Products, such as a "two-for-one" offer), or (2) the conducting of consumer testing or evaluation of Tobacco Products with persons who certify that they are Adults.

(h) Ban on Gifts to Underage Persons Based on Proofs of Purchase. Beginning one year after the MSA Execution Date, no Participating Manufacturer may provide or cause to be provided to any person without sufficient proof that such person is an Adult any item in exchange for the purchase of Tobacco Products, or the furnishing of credits, proofs-of-purchase, or coupons with respect to such a purchase. For purposes of the preceding sentence only, (1) a driver's license or other government-
issued identification (or legible photocopy thereof), the validity of which is certified
by the person to whom the item is provided, shall by itself be deemed to be a
sufficient form of proof of age; and (2) in the case of items provided (or to be
redeemed) at retail establishments, a Participating Manufacturer shall be entitled to
rely on verification of proof of age by the retailer, where such retailer is required to
take verification under applicable federal, state or local law.

(i) **Limitation on Third-Party Use of Brand Names.** After the MSA Execution Date, no
Participating Manufacturer may license or otherwise expressly authorize any third
party to use or advertise within any Settling State any Brand Name in a manner
prohibited by this Agreement if done by such Participating Manufacturer itself. Each
Participating Manufacturer shall, within 10 days after the MSA Execution Date,
designate a person (and provide written notice to NAAG of such designation) to
whom the Attorney General of any Settling State may provide written notice of any
such third-party activity that would be prohibited by this Agreement if done by such
Participating Manufacturer itself. Following such written notice, the Participating
Manufacturer will promptly take commercially reasonable steps against any such
non-de minimis third-party activity. Provided, however, that nothing in this
subsection shall require any Participating Manufacturer to (1) breach or terminate
any licensing agreement or other contract in existence as of July 1, 1998 (this
exception shall not apply beyond the current term of any existing contract, without
regard to any renewal or option term that may be exercised by such Participating
Manufacturer); or (2) retrieve, collect, or otherwise recover any item that prior to the
MSA Execution Date was marketed, distributed, offered, sold, licensed, or caused to
be marketed, distributed, offered, sold, or licensed by such Participating
Manufacturer.

(j) **Ban on Non-Tobacco Brand Names.** No Participating Manufacturer may, pursuant
to any agreement requiring the payment of money or other valuable consideration,
use or cause to be used as a brand name of any Tobacco Product any nationally
recognized or nationally established brand name or trade name of any non-tobacco
item or service or any nationally recognized or nationally established sports team,
entertainment group, or individual celebrity. Provided, however, that the preceding
sentence shall not apply to any Tobacco Product brand name in existence as of July
1, 1998. For the purposes of this subsection, the term "other valuable consideration"
shall not include an agreement between two entities who enter into such agreement
for the sole purpose of avoiding infringement claims.

(k) **Prohibition on Providing Tobacco Products to Teams.** After the MSA Execution
Date, no Participating Manufacturer may provide or cause to be provided any
Tobacco Product to any sports team (including, but not limited to, any baseball team)
or any entertainment group at less than fair market value or in consideration for any
services to be provided to or for the benefit of such Participating Manufacturer by
such sports team or entertainment group.

(l) **Corporate Culture Commitments Related to Youth Access and Consumption.**
Beginning 180 days after the MSA Execution Date, each Participating Manufacturer
shall:
(1) promulgate or reaffirm corporate principles that express and explain its commitment to comply with the provisions of this Agreement and the reduction of use of Tobacco Products by Youth, and clearly and regularly communicate to its employees and customers its commitment to assist in the reduction of Youth use of Tobacco Products;

(2) designate an executive level manager (and provide written notice to NAAG of such designation) to identify methods to reduce Youth access to, and the incidence of Youth consumption of, Tobacco Products; and

(3) encourage its employees to identify additional methods to reduce Youth access to, and the incidence of Youth consumption of, Tobacco Products.

(m) Limitations on Lobbying. Following State-Specific Finality in a Settling State:

(1) No Participating Manufacturer may oppose, or cause to be opposed (including through any third party or Affiliate), the passage by such Settling State (or any political subdivision thereof) of those state or local legislative proposals or administrative rules described in Exhibit B hereto intended by their terms to reduce Youth access to, and the incidence of Youth consumption of, Tobacco Products. Provided, however, that the foregoing does not prohibit any Participating Manufacturer from (A) challenging enforcement of, or suing for declaratory or injunctive relief with respect to, any such legislation or rule on any grounds; (B) continuing, after State-Specific Finality in such Settling State, to oppose, or cause to be opposed, the passage during the legislative session in which State-Specific Finality in such Settling State occurs of any specific state or local legislative proposals or administrative rules introduced prior to the time of State-Specific Finality in such Settling State; (C) opposing, or causing to be opposed, any excise tax or income tax provision or user fee or other payments relating to Tobacco Products or Tobacco Product Manufacturers; or (D) opposing, or causing to be opposed, any state or local legislative proposal or administrative rule that also includes measures other than those described in Exhibit B.

(2) Each Participating Manufacturer shall require all of its officers and employees engaged in lobbying activities in such Settling State after State-Specific Finality, contract lobbyists engaged in lobbying activities in such Settling State after State-Specific Finality, and any other third parties who engage in lobbying activities in such Settling State after State-Specific Finality on behalf of such Participating Manufacturer ("lobbyist" and "lobbying activities" having the meaning such terms have under the law of the Settling State in question) to certify in writing to the Participating Manufacturer that they:

(A) will not support or oppose any state, local, or federal legislation, or seek or oppose any governmental action, on behalf of the Participating Manufacturer without the Participating Manufacturer's
express authorization (except where such advance express authorization is not reasonably practicable);
(B) are aware of and will fully comply with this Agreement and all laws and regulations applicable to their lobbying activities, including, without limitation, those related to disclosure of financial contributions. Provided, however, that if the Settling State in question has in existence no laws or regulations relating to disclosure of financial contributions regarding lobbying activities, then each Participating Manufacturer shall, upon request of the Attorney General of such Settling State, disclose to such Attorney General any payment to a lobbyist that the Participating Manufacturer knows or has reason to know will be used to influence legislative or administrative actions of the state or local government relating to Tobacco Products or their use. Disclosures made pursuant to the preceding sentence shall be filed in writing with the Office of the Attorney General on the first day of February and the first day of August of each year for any and all payments made during the six month period ending on the last day of the preceding December and June, respectively, with the following information: (1) the name, address, telephone number, and e-mail address (if any) of the recipient; (2) the amount of each payment; and (3) the aggregate amount of all payments described in this subsection (2)(B) to the recipient in the calendar year; and
(C) have reviewed and will fully abide by the Participating Manufacturer's corporate principles promulgated pursuant to this Agreement when acting on behalf of the Participating Manufacturer.

(3) No Participating Manufacturer may support or cause to be supported (including through any third party or Affiliate) in Congress or any other forum legislation or rules that would preempt, override, abrogate, or diminish such Settling State's rights or recoveries under this Agreement. Except as specifically provided in this Agreement, nothing herein shall be deemed to restrain any Settling State or Participating Manufacturer from advocating terms of any national settlement or taking any other positions on issues relating to tobacco.

(n) Regulation and Oversight of New Tobacco-Related Trade Associations.

(1) A Participating Manufacturer may form or participate in new tobacco-related trade associations (subject to all applicable laws), provided such associations agree in writing not to act in any manner contrary to any provision of this Agreement. Each Participating Manufacturer agrees that if any new tobacco-related trade association fails to so agree, such Participating Manufacturer will not participate in or support such association.

(2) Any tobacco-related trade association that is formed or controlled by one or more of the Participating Manufacturers after the MSA Execution Date shall adopt by-laws governing the association's procedures and the activities of its members, board, employees, agents, and other representatives with respect to the tobacco-related
trade association. Such by-laws shall include, among other things, provisions that:

(A) each officer of the association shall be appointed by the board of the association, shall be an employee of such association, and during such officer's term shall not be a director of or employed by any member of the association or by an Affiliate of any member of the association;

(B) legal counsel for the association shall be independent, and neither counsel nor any member or employee of counsel's law firm shall serve as legal counsel to any member of the association or to a manufacturer of Tobacco Products that is an Affiliate of any member of the association during the time that it is serving as legal counsel to the association; and

(C) minutes describing the substance of the meetings of the board of directors of the association shall be prepared and shall be maintained by the association for a period of at least five years following their preparation.

(3) Without limitation on whatever other rights to access they may be permitted by law, for a period of seven years from the date any new tobacco-related trade association is formed by any of the Participating Manufacturers after the MSA Execution Date the antitrust authorities of any Settling State may, for the purpose of enforcing this Agreement, upon reasonable cause to believe that a violation of this Agreement has occurred, and upon reasonable prior written notice (but in no event less than 10 Business Days):

(A) have access during regular office hours to inspect and copy all relevant non-privileged, non-work-product books, records, meeting agenda and minutes, and other documents (whether in hard copy form or stored electronically) of such association insofar as they pertain to such believed violation; and

(B) interview the association's directors, officers, and employees (who shall be entitled to have counsel present) with respect to relevant, non-privileged, non-work-product matters pertaining to such believed violation.

Documents and information provided to Settling State antitrust authorities shall be kept confidential by and among such authorities, and shall be utilized only by the Settling States and only for the purpose of enforcing this Agreement or the criminal law. The inspection and discovery rights provided to the Settling States pursuant to this subsection shall be coordinated so as to avoid repetitive and excessive inspection and discovery.

(o) Prohibition on Agreements to Suppress Research. No Participating Manufacturer may enter into any contract, combination or conspiracy with any other Tobacco Product Manufacturer that has the purpose or effect of: (1) limiting competition in the production or distribution of information about health hazards or other consequences of the use of their products; (2) limiting or suppressing research into tobacco and health; or (3) limiting or suppressing research into the marketing or
development of new products. Provided, however, that nothing in this subsection
shall be deemed to (1) require any Participating Manufacturer to produce, distribute
or otherwise disclose any information that is subject to any privilege or protection;
(2) preclude any Participating Manufacturer from entering into any joint defense or
joint legal interest agreement or arrangement (whether or not in writing), or from
asserting any privilege pursuant thereto; or (3) impose any affirmative obligation on
any Participating Manufacturer to conduct any research.

(p) Prohibition on Material Misrepresentations. No Participating Manufacturer may
make any material misrepresentation of fact regarding the health consequences of
using any Tobacco Product, including any tobacco additives or other ingredients.
Nothing in this subsection shall limit the exercise of any First Amendment right or
the assertion of any defense or position in any judicial, legislative, or regulatory
forum.

IV. PUBLIC ACCESS TO DOCUMENTS

(a) After the MSA Execution Date, the Original Participating Manufacturer will support
an application for the dissolution of any protective orders entered in each Settling
State's lawsuit identified in Exhibit A with respect only to those documents, indices
and privilege logs that have been produced as of the MSA Execution Date to such
Settling State and (1) as to which defendants have made no claim, or have withdrawn
any claim, of attorney-client privilege, attorney work-product protection, common
interest/joint defense privilege (collectively, "privilege"), trade-secret protection, or
confidential or proprietary business information, and (2) that are not inappropriate
for public disclosure because of personal privacy interests or contractual rights of
third parties that may not be abrogated by the Original Participating Manufacturer.

(b) Notwithstanding State-Specific Finality, if any order, ruling or recommendation was
issued prior to September 17, 1998, rejecting a claim of privilege or trade-secret
protection with respect to any document or documents claimed to be privileged or
trade secret in a lawsuit identified in Exhibit A, the Settling State in which such
order, ruling or recommendation was made may, no later than 45 days after the
occurrence of State-Specific Finality in such Settling State, seek public disclosure of
such document or documents by application to the court that issued such order,
ruling, or recommendation, and the court shall retain jurisdiction for such purposes.
The Original Participating Manufacturer does not consent to and may object to,
appeal from, or otherwise oppose any such application for disclosure. The Original
Participating Manufacturer will not assert that the settlement of such lawsuit has
divested the court of jurisdiction or that such Settling State lacks standing to seek
public disclosure on any applicable ground.

(c) Within 180 days after the MSA Execution Date, the Original Participating
Manufacturer agrees to make available, to designated representatives of the NAAG
executive committee, a copy of all the documents produced by the Original
Participating Manufacturer as of the MSA Execution Date in any action identified in
Exhibit A, for review at a convenient time or times and at a convenient location.
Provided, however, nothing in this section IV shall require the Original Participating
Manufacturer to disclose documents that (1) it continues to claim to be privileged, trade secret, confidential, or proprietary business information, or that contain other information not appropriate for public disclosure because of personal privacy interests or contractual rights of third parties; or (2) except as provided in subsection (a) above, are subject to any protective order, sealing order, or other order or ruling that prevents or limits a litigant from disclosing such documents. Within 180 days after the MSA Execution Date, the Original Participating Manufacturer and designated representatives of the NAAG executive committee shall meet and discuss, in good faith, procedures to establish centralized public access to such documents. Each Subsequent Participating Manufacturer shall comply with the requirements of this section within 180 days after it signs this Agreement.

V. TOBACCO CONTROL AND UNDERAGE USE LAWS

Each Participating Manufacturer agrees that following State-Specific Finality in a Settling State it will not initiate, or cause to be initiated, a facial challenge against the enforceability or constitutionality of such Settling State's (or such Settling State's political subdivisions') statutes, ordinances, and administrative rules relating to tobacco control enacted prior to June 1, 1998.

VI. ESTABLISHMENT OF A NATIONAL FOUNDATION

(a) Foundation Purposes. The Settling States believe that a comprehensive, coordinated program of public education and study is important to further the remedial goals of this Agreement. Accordingly, as part of the settlement of claims described herein, the payments specified in section VI(b) shall be made to the National Public Education Fund as part of the Foundation.

(b) Foundation Payments. The Participating Manufacturers shall severally pay, calculated in accordance with the procedures set forth below, their share of $400,000,000, which shall be payable over a period of 10 years, at the direction and on behalf of the Settling States, in order to fund the National Public Education Fund as part of the Foundation, a charitable foundation, trust, or similar organization, and for certain other purposes.

(1) The Original Participating Manufacturer shall pay its share of the $400,000,000 in two parts.

(A) The first part shall be 50% of the first $200,000,000. $95,750,000 of the first part shall be payable into the National Public Education Fund over a period of 10 years in installments as follows:

(B) If as of December 31 of the year preceding the due date for payment of any of the 10 installments set forth in subsection (b)(1) above, the Original Participating Manufacturer's Market Share falls below 50% percent, then such installment for such year will be reduced by the percentage by which the Market Share of the Original Participating Manufacturer falls below 50% as of December 31 of the year preceding the installment due date, multiplied by: (i) 10 if the Market Share decline is below 50%, but not below 45%; (ii) 5 if the Market Share decline is below 45%, but not below 40%; (iii) 3 if the Market Share decline is below 40%, but not below 30%; (iv) 2 if the Market Share decline is below 30%, but not below 10%; and (v) 1 if the Market Share decline is below 10%, but not below 0%. Any reduction in an installment will be deferred to the year following the last of the 10 installments set forth above ("Deferred Payment"), unless in that year there already exists a Deferred Payment from a previous year, in which case the new Deferred Payment will be deferred to the next subsequent year. All Deferred Payments will also be subject to the 50% Market Share condition.

(C) The balance of the first part ($4,250,000) shall be payable pursuant to section VIII.

(2) The second part of the Original Participating Manufacturer's share of the $400,000,000 shall be its actual Market Share of the remaining $200,000,000, calculated and payable as set forth below. This additional amount shall be payable over a period of 10 years. This additional amount shall be subject to the following condition: that the aggregate Market Share of the Subsequent Participating Manufacturers comprises at least 14% measured by Market Share as of year end December 31, 1998, December 31, 1999, December 31, 2000, or December 31, 2001. In the event this condition is not satisfied, the Original Participating Manufacturer shall have no obligation to make any payments as set forth in this subsection (b)(2) or subsection (b)(3), and the Original Participating Manufacturer's only obligation under this provision will be to make the payments set forth in subsection (b)(1).

(3) The Original Participating Manufacturer's additional annual payment, if any, under subsection (b)(2) shall be payable in 10 installments on March 31 of each year following each of the first 10 years in which the Subsequent Participating Manufacturers' aggregate Market Share comprises at least 14%. Each of such 10 installments shall be based on Market Share as of December 31 of the year preceding the payment due date and shall be calculated as follows: (A) $20,000,000 multiplied by (B) the Original Participating Manufacturer's Market Share (C) multiplied by a percentage calculated by (i) dividing the Market Share of the Subsequent Participating Manufacturers by (ii) the sum of (x) the Market Share of
the Subsequent Participating Manufacturers and (y) the Market Share of all Non-Participating Manufacturers.

(4) The Subsequent Participating Manufacturers shall pay to the National Public Education Fund their Market Share of the $400,000,000, which shall be payable over a period of 10 years commencing on March 31 of the year after each such Subsequent Participating Manufacturer signs this Agreement. Each such Subsequent Participating Manufacturer's annual payment shall be calculated based on Market Share as of December 31 of the year preceding the payment due date as follows: (A) $40,000,000 multiplied by (B) each such Subsequent Participating Manufacturer's Market Share (C) multiplied by a percentage calculated by (i) dividing the Market Share of the Subsequent Participating Manufacturers by (ii) the sum of (x) the Market Share of the Subsequent Participating Manufacturers and (y) the Market Share of all Non-Participating Manufacturers.

(5) The payments to be made by each of the Participating Manufacturers pursuant to this subsection (b) shall, other than the payments due on March 31, 1999, be subject to the Inflation Adjustment.

(6) The payments to be made by each of the Participating Manufacturers pursuant to this subsection (b) shall be paid to the Escrow Agent who shall disburse such payments to the Foundation only when Final Approval has occurred, except for those payments that are payable pursuant to section VIII. Notwithstanding the foregoing, the Escrow Agent shall disburse the March 31, 1999 payment under subsection (b)(1)(A) when State-Specific Finality has occurred in both:

(A) a number of Settling States equal to at least 50% of the total number of the Settling States that were Settling States as of the MSA Execution Date; and
(B) at least 50% of the States that have lawsuits currently pending as of the MSA Execution Date against the Original Participating Manufacturer, which are the States specifically identified on Exhibit A (but not including any State in the Additional States section).

(c) Foundation Activities. The Foundation shall not engage in, nor shall any of the Foundation's money be used to engage, in any political activities or lobbying, including, but not limited to, support of or opposition to candidates, ballot initiatives, referenda, or other similar activities. The National Public Education Fund shall be used only for public education and advertising regarding the addictiveness, health effects, and social costs related to the use of tobacco products and shall not be used for any personal attack on, or vilification of, any person (whether by name or business affiliation), company, or governmental agency, whether individually or collectively. The Foundation shall work to ensure that its activities are carried out in a culturally and linguistically appropriate manner. The payments described in subsection (b) above are made at the direction and on behalf of Settling States. By making such payments in such manner, the Participating Manufacturers do not undertake and expressly disclaim any responsibility with respect to the creation, operation, liabilities, or tax status of the Foundation or the National Public Education Fund.
(d) Severance of this Section. If the Attorney General of a Settling State determines that such Settling State may not lawfully enter into this section VI as a matter of applicable state law, such Attorney General may sever this section VI from its settlement with the Participating Manufacturers by giving written notice of such severance to each Participating Manufacturer and NAAG pursuant to subsection XV(1). If any Settling State exercises its right to sever this section VI, this section VI shall not be considered a part of the specific settlement between such Settling State and the Participating Manufacturers, and this section VI shall not be enforceable by or in such Settling State. The payment obligation of section VI(b) hereof shall apply regardless of a determination by one or more Settling States to sever section VI hereof. If the Attorney General of a Settling State that severed this section VI subsequently determines that such Settling State may lawfully enter into this section VI as a matter of applicable state law, such Attorney General may rescind such Settling State's previous severance of this section VI by giving written notice of such rescission to each Participating Manufacturer and NAAG pursuant to subsection XV(1). If any Settling State rescinds such severance, this section VI shall be considered a part of the specific settlement between such Settling State and the Participating Manufacturers (including for purposes of receiving grants from the National Public Education Fund pursuant to subsection VI(g) of the Cigarette Master Settlement Agreement), and this section VI shall be enforceable by and in such Settling State.

VII. ENFORCEMENT

(a) Jurisdiction. Each Participating Manufacturer and each Settling State acknowledge that the Court: (1) has jurisdiction over the subject matter of the action identified in Exhibit A in such Settling State and over each Participating Manufacturer; (2) shall retain exclusive jurisdiction for the purposes of implementing and enforcing this Agreement and the Consent Decree as to such Settling State; and (3) except as provided in subsection XI(c) of the Cigarette Master Settlement Agreement, shall be the only court to which disputes under this Agreement or the Consent Decree are presented as to such Settling State. Provided, however, that notwithstanding the foregoing, the Escrow Court (as defined in the Escrow Agreement) shall have exclusive jurisdiction, as provided in section 15 of the Escrow Agreement, over any suit, action or proceeding seeking to interpret or enforce any provision of, or based on any right arising out of, the Escrow Agreement.

(b) Enforcement of Consent Decree. Except as expressly provided in the Consent Decree, any Settling State or Released Party may apply to the Court to enforce the terms of the Consent Decree (or for a declaration construing any such term) with respect to alleged violations within such Settling State. A Settling State may not seek to enforce the Consent Decree of another Settling State; provided, however, that nothing contained herein shall affect the ability of any Settling State to (1) coordinate state enforcement actions or proceedings, or (2) file or join any amicus brief. In the event that the Court determines that any Participating Manufacturer or Settling State has violated the Consent Decree within such Settling State, the party that initiated the proceedings may request any and all relief available within such Settling State pursuant to the Consent Decree.
(c) **Enforcement of this Agreement.**

(1) Any Settling State or Participating Manufacturer may bring an action in the Court to enforce the terms of this Agreement (or for a declaration construing any such term ("Declaratory Order")) with respect to disputes, alleged violations or alleged breaches within such Settling State.

(2) Before initiating such proceedings, a party shall provide 30 days' written notice to the Attorney General of each Settling State, to NAAG, and to each Participating Manufacturer of its intent to initiate proceedings pursuant to this subsection. The 30-day notice period may be shortened in the event that the relevant Attorney General reasonably determines that a compelling time-sensitive public health and safety concern requires more immediate action.

(3) In the event that the Court determines that any Participating Manufacturer or Settling State has violated or breached this Agreement, the party that initiated the proceedings may request an order restraining such violation or breach, and/or ordering compliance within such Settling State (an "Enforcement Order").

(4) If an issue arises as to whether a Participating Manufacturer has failed to comply with an Enforcement Order, the Attorney General for the Settling State in question may seek an order for interpretation or for monetary, civil contempt, or criminal sanctions to enforce compliance with such Enforcement Order.

(5) If the Court finds that a good-faith dispute exists as to the meaning of the terms of this Agreement or a Declaratory Order, the Court may in its discretion determine to enter a Declaratory Order rather than an Enforcement Order.

(6) Whenever possible, the parties shall seek to resolve an alleged violation of this Agreement by discussion pursuant to section XV(n) of this Agreement. In addition, in determining whether to seek an Enforcement Order, or in determining whether to seek an order for monetary, civil contempt, or criminal sanctions for any claimed violation of an Enforcement Order, the Attorney General shall give good-faith consideration to whether the Participating Manufacturer that is claimed to have violated this Agreement has taken appropriate and reasonable steps to cause the claimed violation to be cured, unless such party has been guilty of a pattern of violations of like nature.

(d) **Right of Review.** All orders and other judicial determinations made by any court in connection with this Agreement or any Consent Decree shall be subject to all available appellate review, and nothing in this Agreement or any Consent Decree shall be deemed to constitute a waiver of any right to any such review.

(e) **Applicability.** This Agreement and the Consent Decree apply only to the Participating Manufacturers in their corporate capacity acting through their respective successors and assigns, directors, officers, employees, agents, subsidiaries, divisions, or other internal organizational units of any kind or any other entities acting in concert or participation with them. The remedies, penalties, and sanctions
that may be imposed or assessed in connection with a breach or violation of this Agreement or the Consent Decree (or any Declaratory Order or Enforcement Order issued in connection with this Agreement or the Consent Decree) shall only apply to the Participating Manufacturers, and shall not be imposed or assessed against any employee, officer, or director of any Participating Manufacturer, or against any other person or entity as a consequence of such breach or violation, and the Court shall have no jurisdiction to do so.

(f) **Coordination of Enforcement.** The Attorneys General of the Settling States (through NAAG) shall monitor potential conflicting interpretations by courts of different States of this Agreement and the Consent Decrees. The Settling States shall use their best efforts, in cooperation with the Participating Manufacturers, to coordinate and resolve the effects of such conflicting interpretations as to matters that are not exclusively local in nature.

(g) **Inspection and Discovery Rights.** Without limitation on whatever other rights to access they may be permitted by law, following State-Specific Finality in a Settling State and for seven years thereafter, representatives of the Attorney General of such Settling State may, for the purpose of enforcing this Agreement and the Consent Decree, upon reasonable cause to believe that a violation of this Agreement or the Consent Decree has occurred, and upon reasonable prior written notice (but in no event less than 10 Business Days) (1) have access during regular office hours to inspect and copy all relevant non-privileged, non-work-product books, records, meeting agenda and minutes, and other documents (whether in hard copy form or stored electronically) of each Participating Manufacturer insofar as they pertain to such believed violation; and (2) interview each Participating Manufacturer's directors, officers, and employees (who shall be entitled to have counsel present) with respect to relevant non-privileged, non-work-product matters pertaining to such believed violation. Documents and information provided to representatives of the Attorney General of such Settling State pursuant to this section VII shall be kept confidential by the Settling States, and shall be utilized only by the Settling States and only for purposes of enforcing this Agreement, the Consent Decree, and the criminal law. The inspection and discovery rights provided to such Settling State pursuant to this subsection shall be coordinated through NAAG so as to avoid repetitive and excessive inspection and discovery.

VIII. **CERTAIN ONGOING RESPONSIBILITIES OF THE SETTLING STATES**

(a) Upon approval of the NAAG executive committee, NAAG will provide coordination and facilitation for the implementation and enforcement of this Agreement on behalf of the Attorneys General of the Settling States, including the following:

(1) NAAG will assist in coordinating the inspection and discovery activities referred to in subsections III(n)(3) and VII(g) regarding compliance with this Agreement by the Participating Manufacturers and any new tobacco-related trade associations.

(2) NAAG will convene at least two meetings per year and one major national conference every three years for the Attorneys General of the Settling States, the directors of the Foundation, and three persons
designated by each Participating Manufacturer. The purpose of the meetings and conference is to evaluate the success of this Agreement and coordinate efforts by the Attorneys General and the Participating Manufacturers to continue to reduce the use of Smokeless Tobacco Products by Youth.

(3) NAAG will periodically inform the National Governors' Association, the National Conference of State Legislatures, the National Association of Counties, and the National League of Cities of the results of the meetings and conferences referred to in subsection VIII(a)(2) above.

(4) NAAG will support and coordinate the efforts of the Attorneys General of the Settling States in carrying out their responsibilities under this Agreement.

(b) Upon approval by the NAAG executive committee to assume the responsibilities outlined in subsection VIII(a) hereof, the Original Participating Manufacturer shall cause to be paid, beginning on March 31, 1999, and on March 31 of each year thereafter through and including March 31, 2008, $25,000 per year to the Escrow Agent (to be credited to the Subsection VIII(b) Account, as such Account is defined in the Escrow Agreement), who shall disburse such monies to NAAG within 10 Business Days, to fund the activities described in section VIII(a).

(c) The Original Participating Manufacturer shall on March 31, 1999, pay $4 million to fund the States' Antitrust/Consumer Protection Tobacco Enforcement Fund established pursuant to section VIII(c) of the Cigarette Master Settlement Agreement. The Original Participating Manufacturer's payment pursuant to this subsection (c) shall be made to the Escrow Agent (to be credited to the Subsection VIII(c) Account, as such Account is defined in the Escrow Agreement), who shall disburse such moneys to NAAG upon the occurrence of State-Specific Finality in at least one Settling State. Such funds will be used in accordance with the provisions of Exhibit J of the Cigarette Master Settlement Agreement.

IX. CALCULATIONS AND DISBURSEMENTS OF PAYMENTS

(a) All Payments Into Escrow. All payments made pursuant to this Agreement shall be made into escrow pursuant to the Escrow Agreement, and shall be credited to the appropriate Account established pursuant to the Escrow Agreement. Such payments shall be disbursed to the beneficiaries or returned to Participating Manufacturers only as provided in subsections (b) and (c) and the Escrow Agreement.

(b) Independent Auditor. Beginning with payments due in the year 2000, the Independent Auditor described in section XI of the Cigarette Master Settlement Agreement shall calculate and determine the amount of all payments owed pursuant to this Agreement, and all other calculations in connection with such payments (including, but not limited to, Market Share). Subsections XI(a)(1), (b), (c), (d), (e), (f)(1), (f)(2), (f)(4)(A), (f)(4)(B), (f)(5)(B), (i), and (j) of the Cigarette Master Settlement Agreement are incorporated herein by reference and govern the payment process, including the calculation and disbursement of payments under this
(c) **Disbursement of Subsection VI(b) Payments.** Promptly following the occurrence of a condition for disbursement of payments specified in subsection VI(b)(6), the Settling States and the Original Participating Manufacturer shall notify the Independent Auditor of such occurrence. The Independent Auditor shall promptly thereafter notify each Notice Party of such occurrence and of the amounts paid pursuant to this Agreement held in the Subsection VI(b) Account (as such Account is defined in the Escrow Agreement), if any, at such time. If neither any of the Settling States nor any of the Participating Manufacturers disputes such amounts or disputes such occurrence, by notice delivered to each Notice Party not later than 10 Business Days after delivery by the Independent Auditor of the notice described in the preceding sentence, the Independent Auditor shall promptly instruct the Escrow Agent to disburse the funds paid pursuant to this Agreement and held in such Account to the Foundation. If any Settling State or Participating Manufacturer disputes such amounts or such occurrence by notice delivered to each other Notice Party not later than 10 Business Days after delivery by the Independent Auditor of the notice described in the second sentence of this subsection (c), the Independent Auditor shall promptly instruct the Escrow Agent to credit the amounts disputed to the Disputed Payments Account and to disburse the undisputed portion to the Foundation.

X. **SETTLING STATES' RELEASE, DISCHARGE, AND COVENANT**

(a) Upon the occurrence of State-Specific Finality in a Settling State, such Settling State shall absolutely and unconditionally release and forever discharge all Released Parties from all Released Claims that the Releasing Parties directly, indirectly, derivatively, or in any other capacity ever had, now have, or hereafter can, shall or may have.

(b) Notwithstanding the foregoing, this release and discharge shall not apply to any defendant in a lawsuit settled pursuant to this Agreement (other than a Participating Manufacturer) unless and until such defendant releases the Releasing Parties (and delivers to the Attorney General of the applicable Settling State a copy of such release) from any and all Claims of such defendant relating to the prosecution of such lawsuit.

(c) Each Settling State (for itself and for the Releasing Parties) further covenants and agrees that it (and the Releasing Parties) shall not after the occurrence of State-Specific Finality sue or seek to establish civil liability against any Released Party based, in whole or in part, upon any of the Released Claims, and further agrees that such covenant and agreement shall be a complete defense to any such civil action or proceeding.

(d) Each Settling State (for itself and for the Releasing Parties) further agrees that, if a Released Claim by a Releasing Party against any person or entity that is not a Released Party (a "non-Released Party") results in or in any way gives rise to a claim-over (on any theory whatever other than a claim based on an express written
indemnity agreement) by such non-Released Party against any Released Party (and such Released Party gives notice to the applicable Settling State within 30 days of the service of such claim-over (or within 30 days after the MSA Execution Date, whichever is later) and, prior to entry into any settlement of such claim-over), the Releasing Party: (1) shall reduce or credit against any judgment or settlement such Releasing Party may obtain against such non-Released Party the full amount of any judgment or settlement such non-Released Party may obtain against the Released Party on such claim-over; and (2) shall, as part of any settlement with such non-Released Party, obtain from such non-Released Party for the benefit of such Released Party a satisfaction in full of such non-Released Party's judgment or settlement against the Released Party.

(e) This release and covenant shall not operate to interfere with a Settling State's ability to enforce as against any Participating Manufacturer the provisions of this Agreement, or with the Court's ability to enter the Consent Decree or to maintain continuing jurisdiction to enforce such Consent Decree pursuant to the terms thereof. Provided, however, that neither section III(a) or III(p) of this Agreement nor section V(A) or V(H) of the Consent Decree shall create a right to challenge the continuation, after the MSA Execution Date, of any advertising content, claim or slogan (other than use of a Cartoon) that was not unlawful prior to the MSA Execution Date.

(f) The Settling States do not purport to waive or release any claims on behalf of Indian tribes.

(g) The Settling States do not waive or release any criminal liability based on federal, state, or local law.

(h) Notwithstanding any provision of law, statutory or otherwise, which provides that a general release does not extend to claims which the creditor does not know or suspect to exist in its favor at the time of executing the release, which if known by it must have materially affected its settlement with the debtor, the releases set forth in this section X release all Released Claims against the Released Parties, whether known or unknown, foreseen or unforeseen, suspected or unsuspected, that the Releasing Parties may have against the Released Parties, and the Releasing Parties understand and acknowledge the significance and consequences of waiver of any such provision and hereby assume full responsibility for any injuries, damages, or losses that the Releasing Parties may incur.

XI. CONSENT DECREES AND DISMISSAL OF CLAIMS

(a) Within 10 days after the MSA Execution Date (or, as to any Settling State identified in the Additional States provision of Exhibit A, concurrently with the filing of its lawsuit), each Settling State and each Participating Manufacturer that is a party in any of the lawsuits identified in Exhibit A shall jointly move for a stay of all proceedings in such Settling State's lawsuit with respect to the Participating Manufacturers and all other Released Parties (except any proceeding seeking public disclosure of documents pursuant to subsection IV(b)). Such stay of a Settling
State's lawsuit shall be dissolved upon the earlier of the occurrence of State-Specific Finality or termination of this Agreement with respect to such Settling State pursuant to subsection XV(v)(1).

(b) Not later than December 11, 1998 (or, as to any Settling State identified in the Additional States provision of Exhibit A, concurrently with the filing of its lawsuit):

(1) each Settling State that is a party to a lawsuit identified in Exhibit A and each Participating Manufacturer will:
   (A) tender this Agreement to the Court in such Settling State for its approval; and
   (B) tender to the Court in such Settling State for entry a consent decree conforming to the model consent decree attached hereto as Exhibit D (revisions or changes to such model consent decree shall be limited to the extent required by state procedural requirements to reflect accurately the factual setting of the case in question, but shall not include any substantive revision to the duties or obligations of any Settling State or Participating Manufacturer, except by agreement of the Original Participating Manufacturer); and

(2) each Settling State shall seek entry of an order of dismissal of claims dismissing with prejudice all claims against the Participating Manufacturers and any other Released Party in such Settling State's action identified in Exhibit A. Provided, however, that the Settling State is not required to seek entry of such an order in such Settling State's action against such a Released Party (other than a Participating Manufacturer) unless and until such Released Party has released the Releasing Parties (and delivered to the Attorney General of such Settling State a copy of such release) (which release shall be effective upon the occurrence of State-Specific Finality in such Settling State, and shall recite that in the event this Agreement is terminated with respect to such Settling State pursuant to subsection XV(v)(1), the Released Party agrees that the order of dismissal shall be null and void and of no effect) from any and all Claims of such Released Party relating to the prosecution of such action as provided in subsection X(b).

XII. PARTICIPATING MANUFACTURERS' RELEASE AND DISCHARGE

(a) Upon State-Specific Finality in a Settling State, each Participating Manufacturer will release and discharge any and all monetary Claims against such Settling State and any of such Settling State's officers, employees, agents, administrators, representatives, officials acting in their official capacity, agencies, departments, commissions, divisions, and counsel relating to or in connection with the lawsuit(s) commenced by the Attorney General of such Settling State identified in Exhibit A.

(b) Upon State-Specific Finality in a Settling State, each Participating Manufacturer will release and discharge any and all monetary Claims against all subdivisions (political or otherwise, including, but not limited to, municipalities, counties, parishes, villages, unincorporated districts, and hospital districts) of such Settling State, and any of their officers, employees, agents, administrators, representatives, officials
acting in their official capacity, agencies, departments, commissions, divisions, and
counsel arising out of Claims that have been waived and released with continuing
full force and effect pursuant to section X of this Agreement. Notwithstanding the
foregoing, this release and discharge shall not be effective with respect to a party
released pursuant to this subsection (c) if the signatories to this Agreement do not
have the power to release and discharge the claims pursuant to section X on behalf of
such party.

XIII. VOLUNTARY ACT OF THE PARTIES

The Settling States and the Participating Manufacturers acknowledge and agree that this
Agreement is voluntarily entered into by each Settling State and each Participating
Manufacturer as the result of arm's-length negotiations, and each Settling State and each
Participating Manufacturer was represented by counsel in deciding to enter into this
Agreement. Each Participating Manufacturer further acknowledges that it understands that
certain provisions of this Agreement may require it to act or refrain from acting in a manner
that could otherwise give rise to state or federal constitutional challenges and that, by
voluntarily consenting to this Agreement, it (and the Tobacco-Related Organizations (or any
trade associations formed or controlled by any Participating Manufacturer)) waives for
purposes of performance of this Agreement any and all claims that the provisions of this
Agreement violate the state or federal constitutions. Provided, however, that nothing in the
foregoing shall constitute a waiver as to the entry of any court order (or any interpretation
thereof) that would operate to limit the exercise of any constitutional right except to the
extent of the restrictions, limitations, or obligations expressly agreed to in this Agreement or
the Consent Decree.

XIV. CONSTRUCTION

(a) No Settling State or Participating Manufacturer shall be considered the drafter of this
Agreement or any Consent Decree, or any provision of either, for the purpose of any
statute, case law, or rule of interpretation or construction that would or might cause
any provision to be construed against the drafter.

(b) Nothing in this Agreement shall be construed as approval by the Settling States of
any Participating Manufacturer's business organizations, operations, acts, or
practices, and no Participating Manufacturer may make any representation to the
contrary.

XV. MISCELLANEOUS

(a) Effect of Current or Future Law. If any current or future law includes obligations or
prohibitions applying to Tobacco Product Manufacturers related to any of the
provisions of this Agreement, each Participating Manufacturer shall comply with this
Agreement unless compliance with this Agreement would violate such law.

(b) Limited Most-Favored Nation Provision.
   (1) If any Participating Manufacturer enters into any future settlement agreement
of other litigation comparable to any of the actions identified in Exhibit A brought by a non-foreign governmental plaintiff other than the federal government ("Future Settlement Agreement"):

(A) before October 1, 2000, on overall terms more favorable to such governmental plaintiff than the overall terms of this Agreement (after due consideration of relevant differences in population or other appropriate factors), then, unless a majority of the Settling States determines that the overall terms of the Future Settlement Agreement are not more favorable than the overall terms of this Agreement, the overall terms of this Agreement will be revised so that the Settling States will obtain treatment with respect to such Participating Manufacturer at least as relatively favorable as the overall terms provided to any such governmental plaintiff; provided, however, that as to economic terms, this Agreement shall not be revised based on any such Future Settlement Agreement if such Future Settlement Agreement is entered into after: (i) the impaneling of the jury (or, in the event of a non-jury trial, the commencement of trial) in such litigation or any severed or bifurcated portion thereof; or (ii) any court order or judicial determination relating to such litigation that (x) grants judgment (in whole or in part) against such Participating Manufacturer; or (y) grants injunctive or other relief that affects the assets or on-going business activities of such Participating Manufacturer in a manner other than as expressly provided for in this Agreement; or

(B) on or after October 1, 2000, on non-economic terms more favorable to such governmental plaintiff than the non-economic terms of this Agreement, and such Future Settlement Agreement includes terms that provide for the implementation of non-economic tobacco-related public health measures different from those contained in this Agreement, then this Agreement shall be revised with respect to such Participating Manufacturer to include terms comparable to such non-economic terms, unless a majority of the Settling States elects against such revision.

(2) If any Settling State resolves by settlement Claims against any Non-Participating Manufacturer after the MSA Execution Date comparable to any Released Claim, and such resolution includes overall non-economic terms that are more favorable to such Non-Participating Manufacturer than the terms of this Agreement (including, without limitation, any terms that relate to the marketing or distribution of Tobacco Products), then the overall non-economic terms of this Agreement will be revised so that the Original Participating Manufacturer will obtain, with respect to that Settling State, overall non-economic terms at least as relatively favorable as those obtained by such Non-Participating Manufacturer pursuant to such resolution of Claims. Notwithstanding the provisions of section XV(k), the provisions of this subsection XV(b)(2) may be waived by (and only by) the Original Participating Manufacturer.

(3) The parties agree that if any term of this Agreement is revised pursuant to subsection (b)(1) or (b)(2) above and the substance of such term before it was
revised was also a term of the Consent Decree, each affected Settling State and each affected Participating Manufacturer shall jointly move the Court to amend the Consent Decree to conform the terms of the Consent Decree to the revised terms of the Agreement.

(c) **Transfer of Tobacco Brands.** The Original Participating Manufacturer may not sell or otherwise transfer or permit the sale or transfer of any of its Tobacco Product brands, Brand Names, Tobacco Product product formulas or Tobacco Product businesses (other than a sale or transfer of Tobacco Product brands or Brand Names to be sold, product formulas to be used, or Tobacco Product businesses to be conducted, by the acquirer or transferee exclusively outside of the States) to any person or entity unless such person or entity prior to the sale or acquisition agrees to assume the obligations of the Original Participating Manufacturer with respect to such Tobacco Product brands, Brand Names, Tobacco Product product formulas or businesses. No Participating Manufacturer may sell or otherwise transfer any of its Tobacco Product brands, Brand Names, Tobacco Product product formulas or Tobacco Product businesses (other than a sale or transfer of Tobacco Product brands or Brand Names to be sold, Tobacco Product product formulas to be used, or businesses to be conducted, by the acquirer or transferee exclusively outside of the States) to any person or entity unless such person or entity is or becomes prior to the sale or acquisition a Participating Manufacturer. In the event of any such sale or transfer of a Tobacco Product brand, Brand Name, Tobacco Product product formula or Tobacco Product business by a Participating Manufacturer to a person or entity that within 180 days prior to such sale or transfer was a Non-Participating Manufacturer, the Participating Manufacturer shall certify to the Settling States that it has determined that such person or entity has the capability to perform the obligations under this Agreement. Such certification shall not survive beyond one year following the date of any such transfer. The Original Participating Manufacturer certifies and represents that it (or a wholly-owned Affiliate) exclusively owns and controls in the States the Brand Names of those Tobacco Products that it currently manufactures for sale (or sells) in the States and that it has the capacity to enter into an effective agreement concerning the sale or transfer of such Brand Names pursuant to this subsection (c). Nothing in this Agreement is intended to create any right for a State to obtain any Tobacco Product product formula that it would not otherwise have under applicable law.

(d) **Payments in Settlement.** All payments to be made by the Participating Manufacturers pursuant to this Agreement are in settlement of all of the Settling States' antitrust, consumer protection, common law negligence, statutory, common law, and equitable claims for monetary, restitutary, equitable, and injunctive relief alleged by the Settling States with respect to the year of payment or earlier years, except that no part of any payment under this Agreement is made in settlement of an actual or potential liability for a fine, penalty (civil or criminal), or enhanced damages, or is the cost of a tangible or intangible asset or other future benefit.

(e) **No Determination or Admission.** This Agreement is not intended to be and shall not in any event be construed or deemed to be, or represented or caused to be represented as, an admission or concession or evidence of (1) any liability or any wrongdoing
whatsoever on the part of any Released Party or that any Released Party has engaged in any of the activities barred by this Agreement; or (2) personal jurisdiction over any person or entity other than the Participating Manufacturers. Each Participating Manufacturer specifically disclaims and denies any liability or wrongdoing whatsoever with respect to the claims and allegations asserted against it by the Attorneys General of the Settling States and the Litigating Political Subdivisions. Each Participating Manufacturer has entered into this Agreement solely to avoid the further expense, inconvenience, burden, and risk of litigation.

(f) Non-Admissibility. The settlement negotiations resulting in this Agreement have been undertaken by the Settling States and the Participating Manufacturers in good faith and for settlement purposes only, and no evidence of negotiations or discussions underlying this Agreement shall be offered or received in evidence in any action or proceeding for any purpose. Neither this Agreement nor any public discussions, public statements, or public comments with respect to this Agreement by any Settling State or Participating Manufacturer or its agents shall be offered or received in evidence in any action or proceeding for any purpose other than in an action or proceeding arising under or relating to this Agreement.

(g) Representations of Parties. Each Settling State and each Participating Manufacturer hereby represents that this Agreement has been duly authorized and, upon execution, will constitute a valid and binding contractual obligation, enforceable in accordance with its terms, of each of them. The signatories hereto on behalf of their respective Settling States expressly represent and warrant that they have the authority to settle and release all Released Claims of their respective Settling States and any of their respective Settling States' past, present, and future agents, officials acting in their official capacities, legal representatives, agencies, departments, commissions, and divisions, and that such signatories are aware of no authority to the contrary. It is recognized that the Original Participating Manufacturer is relying on the foregoing representation and warranty in making the payments required by and in otherwise performing under this Agreement. The Original Participating Manufacturer shall have the right to terminate this Agreement pursuant to section XV(v) as to any Settling State as to which the foregoing representation and warranty is breached or not effectively given.

(h) Sales of Cigarettes. The Original Participating Manufacturer certifies and represents that it does not currently manufacture, market, sell, or import for sale Cigarettes. Each Participating Manufacturer agrees that in the event that such Participating Manufacturer manufactures, markets, sells, or imports for sale Cigarettes after the MSA Execution Date, it will become a participating manufacturer in the Cigarette Master Settlement Agreement (as that term is defined in the Cigarette Master Settlement Agreement) before engaging in such Cigarette manufacturing, marketing, sales, or imports. This subsection shall be deemed an essential and material part of every term of this Agreement and shall be incorporated in each term of this Agreement as if repeated verbatim in such term.

(i) Obligations Several, Not Joint. All obligations of the Participating Manufacturers pursuant to this Agreement (including, but not limited to, all payment obligations)
are intended to be, and shall remain, several and not joint.

(j) **Headings.** The headings of the sections and subsections of this Agreement are not binding and are for reference only and do not limit, expand, or otherwise affect the contents or meaning of this Agreement.

(k) **Amendment and Waiver.** This Agreement may be amended by a written instrument executed by all Participating Manufacturers affected by the amendment and by all Settling States affected by the amendment. The terms of any such amendment shall not be enforceable in any Settling State that is not a signatory to such amendment. The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving party or parties. The waiver by any party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other party.

(l) **Notices.** All notices or other communications to any party to this Agreement shall be in writing (including, but not limited to, facsimile, telex, telecopy, or similar writing) and shall be given at the addresses specified in Exhibit E (as it may be amended to reflect any additional Participating Manufacturer that becomes a party to this Agreement after the MSA Execution Date). Any Settling State or Participating Manufacturer may change or add the name and address of the persons designated to receive notice on its behalf by notice given (effective upon the giving of such notice) as provided in this subsection.

(m) **Cooperation.** Each Settling State and each Participating Manufacturer agrees to use its best efforts and to cooperate with each other to cause this Agreement and the Consent Decrees to become effective, to obtain all necessary approvals, consents, and authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, each Settling State and each Participating Manufacturer agrees that it will not directly or indirectly assist or encourage any challenge to this Agreement or any Consent Decree by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Decrees. Each Settling State shall use its best efforts to cause State-Specific Finality to occur as to such Settling State.

(n) **Designees to Discuss Disputes.** Within 14 days after the MSA Execution Date, each Settling State's Attorney General and each Participating Manufacturer shall provide written notice of its designation of a senior representative to discuss with the other signatories to this Agreement any disputes and/or other issues that may arise with respect to this Agreement. Each Settling State's Attorney General shall provide such notice of the name, address, and telephone number of the person it has so designated to each Participating Manufacturer and to NAAG. Each Participating Manufacturer shall provide such notice of the name, address, and telephone number of the person it has so designated to each Settling State's Attorney General, to NAAG, and to each other Participating Manufacturer.

(o) **Governing Law.** This Agreement (other than the Escrow Agreement) shall be
governed by the laws of the relevant Settling State, without regard to the conflict of law rules of such Settling State. The Escrow Agreement shall be governed by the laws of the State in which the Escrow Court is located, without regard to the conflict of law rules of such State.

(p) Severability.

(1) Sections VI, VII, VIII, IX, X, XI, XII, and XV(b), (c), (d), (e), (f), (g), (h), (i), (p), (q), (s), (t) and (ee) hereof ("Nonseverable Provisions") are not severable, except to the extent that severance of section VI is permitted by Settling States pursuant to section VI(d) hereof. The remaining terms of this Agreement are severable, as set forth herein.

(2) If a court materially modifies, renders unenforceable, or finds to be unlawful any of the Nonseverable Provisions, the NAAG executive committee shall select a team of Attorneys General (the "Negotiating Team") to attempt to negotiate an equivalent or comparable substitute term or other appropriate credit or adjustment (a "Substitute Term") with the Original Participating Manufacturer. In the event that the court referred to in the preceding sentence is located in a Settling State, the Negotiating Team shall include the Attorney General of such Settling State. The Original Participating Manufacturer shall have no obligation to agree to any Substitute Term. If the Original Participating Manufacturer does not agree to a Substitute Term, this Agreement shall be terminated in all Settling States affected by the court's ruling. The Negotiating Team shall submit any proposed Substitute Term negotiated by the Negotiating Team and agreed to by the Original Participating Manufacturer to the Attorneys General of all of the affected Settling States for their approval. If any affected Settling State does not approve the proposed Substitute Term, this Agreement in such Settling State shall be terminated.

(3) If a court materially modifies, renders unenforceable, or finds to be unlawful any term of this Agreement other than a Nonseverable Provision:

(A) The remaining terms of this Agreement shall remain in full force and effect.

(B) Each Settling State whose rights or obligations under this Agreement are affected by the court's decision in question (the "Affected Settling State") and the Participating Manufacturers agree to negotiate in good faith a Substitute Term. Any agreement on a Substitute Term reached between the Participating Manufacturers and the Affected Settling State shall not modify or amend the terms of this Agreement with regard to any other Settling State.

(C) If the Affected Settling State and the Participating Manufacturers are unable to agree on a Substitute Term, then they will submit the issue to non-binding mediation. If mediation fails to produce agreement to a Substitute Term, then that term shall be severed and the remainder of this Agreement shall remain in full force and effect.

(4) If a court materially modifies, renders unenforceable, or finds to be unlawful any portion of any provision of this Agreement, the
remaining portions of such provision shall be unenforceable with respect to the affected Settling State unless a Substitute Term is arrived at pursuant to subsections XV(p)(2) or (3) hereof, whichever is applicable.

(q) **Intended Beneficiaries.** No portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not a Settling State or a Released Party. No Settling State may assign or otherwise convey any right to enforce any provision of this Agreement.

(r) **Counterparts.** This Agreement may be executed in counterparts. Facsimile or photocopied signatures shall be considered as valid signatures as of the date affixed, although the original signature pages shall thereafter be appended.

(s) **Applicability.** The obligations and duties of each Participating Manufacturer set forth herein are applicable only to actions taken (or omitted to be taken) within the States. This subsection (s) shall not be construed as extending the territorial scope of any obligation or duty set forth herein whose scope is otherwise limited by the terms hereof.

(t) **Preservation of Privilege.** Nothing contained in this Agreement or any Consent Decree, and no act required to be performed pursuant to this Agreement or any Consent Decree, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Settling State and each Participating Manufacturer agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

(u) **Non-Release.** Except as otherwise specifically provided in this Agreement, nothing in this Agreement shall limit, prejudice, or otherwise interfere with the rights of any Settling State or any Participating Manufacturer to pursue any and all rights and remedies it may have against any Non-Participating Manufacturer or other non-Released Party.

(v) **Termination.**

1. Unless otherwise agreed to by the Original Participating Manufacturer and the Settling State in question, in the event that (A) State-Specific Finality in a Settling State does not occur in such Settling State on or before December 31, 2001; or (B) this Agreement or the Consent Decree has been disapproved by the Court (or, in the event of an appeal from or review of a decision of the Court to approve this Agreement and the Consent Decree, by the court hearing such appeal or conducting such review), and the time to Appeal from such disapproval has expired, or, in the event of an Appeal from such disapproval, the Appeal has been dismissed or the disapproval has been affirmed by the court of last resort to which such Appeal has been taken and such dismissal or disapproval has become no longer subject to further Appeal (including, without limitation, review by the
United States Supreme Court); or (C) this Agreement is terminated in a Settling State for whatever reason (including, but not limited to, pursuant to section XV(p) of this Agreement), then this Agreement and all of its terms (except for the non-admissibility provisions hereof, which shall continue in full force and effect) shall be canceled and terminated with respect to such Settling State, and it and all orders issued by the courts in such Settling State pursuant hereto shall become null and void and of no effect.

(2) If this Agreement is terminated with respect to a Settling State for whatever reason, then (A) the applicable statute of limitation or any similar time requirement shall be tolled from the date such Settling State signed this Agreement until the later of the time permitted by applicable law or for one year from the date of such termination, with the effect that the parties shall be in the same position with respect to the statute of limitation as they were at the time such Settling State filed its action, and (B) the parties shall jointly move the Court for an order reinstating the actions and claims dismissed pursuant to sections XI and XII hereof, with the effect that the parties shall be in the same position with respect to those actions and claims as they were at the time the action or claim was stayed or dismissed.

(w) **Freedom of Information Requests.** Upon the occurrence of State-Specific Finality in a Settling State, each Participating Manufacturer will withdraw in writing any and all requests for information, administrative applications, and proceedings brought or caused to be brought by such Participating Manufacturer pursuant to such Settling State's freedom of information law relating to the subject matter of the lawsuits identified in Exhibit A.

(x) **Bankruptcy.** The following provisions shall apply if a Participating Manufacturer both enters Bankruptcy and at any time thereafter is not timely performing its financial obligations as required under this Agreement:

(1) In the event that a number of Settling States equal to at least 75% of the total number of Settling States deem (by written notice to the Participating Manufacturers other than the bankrupt Participating Manufacturer) that the financial obligations of this Agreement have been terminated and rendered null and void as to such bankrupt Participating Manufacturer (except as provided in subsection (A) below) due to a material breach by such Participating Manufacturer, whereupon, with respect to all Settling States:

(A) all agreements, all concessions, all reductions of Releasing Parties' Claims, and all releases and covenants not to sue, contained in this Agreement shall be null and void as to such Participating Manufacturer. Provided, however, that (i) all reductions of Releasing Parties' Claims and all releases and covenants not to sue, contained in this Agreement shall remain in full force and effect as to all persons or entities (other than the bankrupt Participating Manufacturer itself or any person or entity that, as a result of the Bankruptcy, obtains domestic tobacco assets of such Participating Manufacturer (unless
such person or entity is itself a Participating Manufacturer)) who (but for the first sentence of this subsection (A)) would otherwise be Released Parties by virtue of their relationship with the bankrupt Participating Manufacturer; and (ii) in the event a Settling State asserts any Released Claim against a bankrupt Participating Manufacturer after the termination of this Agreement with respect to such Participating Manufacturer as described in this subsection (1) and receives a judgment, settlement or distribution arising from such Released Claim, then the amount of any payments such Settling State has previously received from such Participating Manufacturer under this Agreement shall be applied against the amount of any such judgment, settlement or distribution (provided that in no event shall such Settling State be required to refund any payments previously received from such Participating Manufacturer pursuant to this Agreement);

(B) the Settling States shall have the right to assert any and all claims against such Participating Manufacturer in the Bankruptcy or otherwise without regard to any limits otherwise provided in this Agreement (subject to any and all defenses against such claims);

(C) the Settling States may exercise all rights provided under the federal Bankruptcy Code (or applicable bankruptcy law) with respect to their Claims against such Participating Manufacturer, including the right to initiate and complete police and regulatory actions against such Participating Manufacturer pursuant to the exceptions to the automatic stay set forth in section 362(b) of the Bankruptcy Code (provided, however, that such Participating Manufacturer may contest whether the Settling State's action constitutes a police and regulatory action); and

(D) to the extent that any Settling State is pursuing a police and regulatory action against such Participating Manufacturer as described in subsection (1)(C), such Participating Manufacturer shall not request or support a request that the Bankruptcy court utilize the authority provided under section 105 of the Bankruptcy Code to impose a discretionary stay on the Settling State's action. The Participating Manufacturers further agree that they will not request, seek or support relief from the terms of this Agreement in any proceeding before any court of law (including the federal bankruptcy courts) or an administrative agency or through legislative action, including (without limitation) by way of joinder in or consent to or acquiescence in any such pleading or instrument filed by another.

(2) Revision of this Agreement pursuant to subsection XV(b)(2) shall not be required by virtue of any resolution on an involuntary basis in the Bankruptcy of Claims against the bankrupt Participating Manufacturer.

(y) Notice of Material Transfers. Each Participating Manufacturer shall provide notice to each Settling State at least 20 days before consummating a sale, transfer of title, or other disposition, in one transaction or series of related transactions, of assets having
a fair market value equal to five percent or more (determined in accordance with United States generally accepted accounting principles) of the consolidated assets of such Participating Manufacturer.

(z) **Entire Agreement.** This Agreement (together with any agreements expressly contemplated hereby and any other contemporaneous written agreements) embodies the entire agreement and understanding between and among the Settling States and the Participating Manufacturers relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral, and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter, except for the Agreement of Resolution between the State of Washington and the Original Participating Manufacturer, dated October 1, 1998 (the “Washington Resolution”), and the Consent Decree and Final Judgment entered pursuant to the Resolution on October 2, 1998 (the “Washington Decree”), provided that the terms of this Agreement relating to permanent relief, enforcement, and consent decrees will supersede the corresponding terms of the Washington Resolution and the Washington Decree and that the Washington Decree will be modified accordingly.

(aa) **Business Days.** Any obligation hereunder that, under the terms of this Agreement, is to be performed on a day that is not a Business Day shall be performed on the first Business Day thereafter.

(bb) **Subsequent Signatories.** With respect to a Tobacco Product Manufacturer that signs this Agreement after the MSA Execution Date, the timing of obligations under this Agreement (other than payment obligations, which shall be governed by section VI) shall be negotiated to provide for the institution of such obligations on a schedule not more favorable to such subsequent signatory than that applicable to the Original Participating Manufacturer.

(cc) **Decimal Places.** Any figure or percentage referred to in this Agreement shall be carried to seven decimal places.

(dd) **Regulatory Authority.** Nothing in section III of this Agreement is intended to affect the legislative or regulatory authority of any local or State government.

(ee) **Successors.** In the event that a Participating Manufacturer ceases selling a brand of Tobacco Products in the States that such Participating Manufacturer owned in the States prior to July 1, 1998, and an Affiliate of such Participating Manufacturer thereafter and after the MSA Execution Date intentionally sells such brand in the States, such Affiliate shall be considered to be the successor of such Participating Manufacturer with respect to such brand. Performance by any such successor of the obligations under this Agreement with respect to the sales of such brand shall be subject to court-ordered specific performance.

(ff) **Export Packaging.** Each Participating Manufacturer shall place a visible indication on each package of Tobacco Products it manufactures for sale outside of the fifty United States and the District of Columbia that distinguishes such package from
packages of Tobacco Products it manufactures for sale in the fifty United States and the District of Columbia.

(gg) **Actions Within Geographic Boundaries of Settling States.** To the extent that any provision of this Agreement expressly prohibits, restricts, or requires any action to be taken "within" any Settling State or the Settling States, the relevant prohibition, restriction, or requirement applies within the geographic boundaries of the applicable Settling State or Settling States, including, but not limited to, Indian country or Indian trust land within such geographic boundaries.

(hh) **Notice to Affiliates.** Each Participating Manufacturer shall give notice of this Agreement to each of its Affiliates.

**XVI. ATTORNEYS FEES**

The payment of attorneys fees under the Agreement by the Original Participating Manufacturer is set forth in Exhibit G.

IN WITNESS WHEREOF, each Settling State and each Participating Manufacturer, through their fully-authorized representatives, have agreed to this Agreement.
