

**CALIFORNIA DIRECTORY OF COMPLIANT CIGARETTES  
AND ROLL-YOUR OWN BRAND FAMILIES  
LISTED BY MANUFACTURER  
LAST UPDATED: OCTOBER 23, 2009**

This Directory lists all Tobacco Product Manufacturers and brand families that are certified as being in compliance with California law. Only cigarette brands and roll-your-own (RYO) tobacco products listed in this Directory may be sold, offered for sale or possessed for sale in California.

Manufacturers and/or brands that are listed with a numeral in superscript (for example, Tobacco Company<sup>1</sup>) have been annotated with pertinent information. A list of annotations appears on the last page of this directory.

The Attorney General updates the directory on an as-needed basis to make corrections or to add or delete manufacturers or brand families. Licensed California distributors will receive notice by e-mail, to the address provided to the Attorney General on the Distributor Registration Form (JUS-TOB8), whenever a manufacturer or brand family is added to or removed from the Directory. If you are a licensed California distributor, you are responsible for checking the most recent update of this Directory and any email notifications from the Attorney General's Office before you stamp cigarettes or pay the tax on RYO tobacco.

**The California Cigarette Fire Safety and Firefighter Protection Act (enacted in 2005) requires all cigarette manufacturers to comply with California's fire-safe cigarette law, as of January 1, 2007. (Health & Safety Code sections 14950-14960.) Any retailer, distributor, or wholesaler that knowingly sells or offers to sell cigarettes in violation of this part is subject to civil penalties.**

**Please note that tobacco products commonly known as "little cigars" currently do not have to be listed in this Directory in order to be lawfully sold in California. However, the Attorney General may decide in the future to require that certain brands of little cigars be listed in this Directory.**

**Based on recent changes in federal law that affect cigarettes and RYO that contain certain "characterizing flavors," we asked manufacturers to identify any of their brands and styles which should be removed from our Directory. The brands and styles they identified for removal were removed effective September 25, 2009.**
